## PATIENT CHAIR INFORMATION

Is this for a new wheelchair order or to retrofit an existing wheelchair? **New Chair Order** **Retrofit Existing Chair**  
Note: For New Chairs, on the ROVI order form select the LUCI Interface Ready option. This will ensure the chair arrives with pre-installed brackets for easy installation. Brackets can also be installed when retrofitting LUCI to an existing chair.

**Select LUCI Model:** [VA PRICE: \\$8,445.00 USD](#)  
Note: We do not support swing-away footrests, the extra-large flip-up foot platform, or high speed motors. If you intend to use specialty controls please contact LUCI to confirm compatibility.

- ROVI X3 - LUCI Model 111
- ROVI A3 - LUCI Model 112

**Select Seat-to-Floor Height:**  
Note: Seat-to-floor height is measured at the front of the seat pan based on a standard seat size. LUCI is not compatible with 17 inch seat to floor height as some seating may interfere with LUCI and/or limit seat travel.

- 18 inches
- 19 inches
- 20 inches

Any custom chair modifications? If so, explain.

**Select Drive Method:**  
This will ensure you receive the correct brackets

- R-Net LED Remote Joystick
- R-Net LED Remote Joystick for Lights
- R-Net Color Remote Joystick with Monojacks
- R-Net Color Remote Joystick with Monojacks for Lights
- R-Net Advanced Joystick
- Omni2: ALT Drive Method

Note: We do not support Latch drive or VR2 devices

## REQUEST DELIVERY SUPPORT

LUCI is a finely-tuned, highly customizable system and works best when it is properly setup for the power wheelchair user.

Let LUCI be your guide during delivery and setup and schedule a 30-minute remote support session with us!
