Select Drive Method:

While many power wheelchairs may include multiple drive styles, please indicate wheelchair user's primary drive method. This will ensure the correct brackets and cabling are shipped.

Note: We do not support latch or VR2 devices.

Color Joystick Module, (CJSM)

Permobil Joystick Module (PJSM)

Omni2: ALT Drive Method

Will the chair include an attendant JS? YES NO

Does the wheelchair include headlights? YES NO

Headlights need hardware that LUCI will provide free of charge.

Any custom chair modifications? If so, explain.

REQUEST DELIVERY SUPPORT

LUCI is a finely-tuned, highly customizable system and works best when it is properly setup for the power wheelchair user.

Let LUCI be your guide during delivery and setup and schedule a 30-minute remote support session with us!
