REQUEST DELIVERY SUPPORT

LUCI is a finely-tuned, highly customizable system and works best when it is properly setup for the power wheelchair user.

Let LUCI be your guide during delivery and setup and schedule a 30-minute remote support session with us!

Select User's Primary Drive Method:

While many power wheelchairs may include multiple drive styles, please indicate wheelchair user's primary drive method. This will ensure the correct brackets and cabling are shipped.

Note: We do not support latch or VR2 devices.

Color Joystick Module, (CJSM)

Permobil Joystick Module (PJSM)

Omni2: ALT Drive Method

Will the chair include an attendant JS? YES NO

Any custom chair modifications? If so, explain.
